

LUMISTEM

LSTM

Mono IP20 **CE**

YYZ Lumistem is a cylindrical, satin acrylic tube made of 100% recyclable extruded architectural grade T6061 aluminum and is designed to provide 360° glare free illumination. This fixture is with omnidirectional light distribution and hence offers color temperature switching from 2700-6500K, tunable white and RGBW. It is available in suspended and wall-mount models.

FEATURES

HOUSING	100% Recyclable, extruded architectural grade t6061 aluminium
BEAM ANGLE	360°
MOUNTING	Suspension- vertical, Horizontal (3m Adjustable suspension cable), wall mounted
OPTIC	Satin acrylic tube
OPERATION TEMP	-20° C - +50° C
LAMP LIFE	50,000 hrs
AVAILABLE LENGTH	0.5m, 1m, 1.5m, 2m, 2.5m, 3m (Maximum of 1.5m per section)
PERFORMANCE	114lm/W (for 3000K)

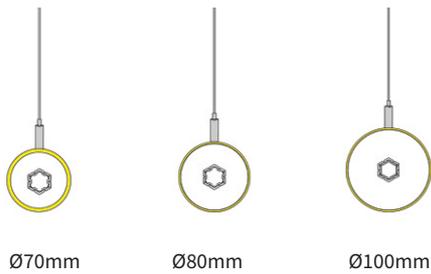

CREE/SAMSUNG
LED Quality

240V AC
Working Voltage

25, 40W/m
Rated power

DIMENSION

ORDERING LOGIC

PRODUCT	DIAMETER	MOUNTING	WATTAGE	CRI	CCT		DRIVER	VOLTAGE	LENGTH	FINISH
LSTM	R70 - Ø70mm	HZ - Horizontal	25 - 25W/m	80	(CT27)	2700K	ND - Non Dimmable	220-240 V AC	L0.5 - 500mm	AL - Aluminium natural
	R80 - Ø80mm	VL - Vertical	40 - 40W/m	90	(CT30)	3000K	DA - Dali		L1.0 - 1000mm	BK - Black powder coat
	R100 - Ø100mm	WM - Wall Mounted			(CT35)	3500K	AN - 1-10V		L1.5 - 1500mm	WH - White powder coat
					(CT40)	4000K	DX - Dmx		L2.0 - 2000mm	BZ - Bronze
					(CT50)	5000K	TR - Triac		L2.5 - 2500mm	XX - Custom
					(CT65)	6500K			L3.0 - 3000mm	
					(TW)	Tunable White				
					(RGBW)	RGBW
