

LYNX MINI WALL LIGHT

LNX-MI

Mono IP65 CE

YYZ Lynx Mini is a small recessed wall luminaire developed to brighten the floor using the high performance of the LED light source. The outdoor lighting fixture made in die-cast aluminum and stainless steel is designed with a simple rectangle shape with the curved frame in the center to complete the unique and contemporary look. The special feature of lighting design is to make the eyes comfortable and minimize the dark zone area from the wall. Lynx mini is specially designed to create a beautiful shape of the light pattern on the floor.
