

BURROW BOLLARD

BRW-BL

Mono IP65 CE

YYZ Burrow is a landscape bollard luminaire developed to illuminate the ground using the high performance of the LED light source. The outdoor lighting fixture is designed with a curved body and vertical stripe pattern characterized by a slim and contemporary look. This bollard luminaire utilizes the recessed luminaire which is under the family product. It has an advantage that the same design concept can be applied even in different installation environments.
