

ECLIPSE SERIES

ELE-Mono

IP68
WATER
PROOF

YYZ Eclipse is a circular burial spot light that employs COB LED diodes with different power options and can be applied for walk over in-ground light or down lighter. It is made in 6063 aluminum housing with 316L stainless steel cover, 5mm toughen glass features symmetrical light distribution and hence will create a beautiful ambiance & enhance the environment. The fixtures are versatile which can add a visual impact and also plays a critical role in safety apart from lighting.

FEATURES

MATERIAL	Aluminum
FINISH	Stainless steel
RATED POWER	7W/10W
WORKING VOLTAGE	220V ac
BEAM ANGLE	10°/20°/30°/10°x30°
MOUNTING	Floor recessed
LAMP LIFE	50,000 hrs
DIMENSIONS	Ø80x69mm
OPERATION TEMP	-20° C - +50° C
CONTROL	Dali, On/Off

CREE
LED Quality

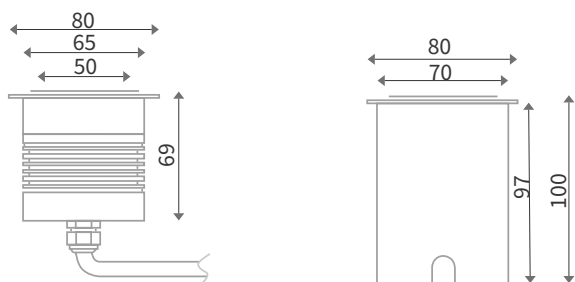

220V AC
Working Voltage

7W/10W
Rated power

ELECTRICAL DATA

POWER CONSUMPTION	7W/10W
SUPPLY VOLTAGE	220V ac
COLORS	2700K, 3000K, 4000K, 5000K, 6500K
CRI	90

DIMENSION

ACCESSORIES

- YYZ-001- ECLIPSE anti-glare louver
- YYZ-002 ECLIPSE anti-glare asymmetric shield

ORDERING LOGIC

PRODUCT	POWER	OPTIC	COLOR TEMPERATURE	DRIVER	BODY COLOR	OPTICAL ACCESSORIES	ACCESSORIES
ELE	7 - 7W 10 - 10W	10 - 10°	(CT27) 2700K	DA - Dali	SS - Stainless steel	FS20 - film symmetric 20°	YYZ001 - Anti-glare louver YYZ002 - Anti-glare asymmetric shield
