## POL 15

Mono IP66 CE

YYZ Polo is a high brightness luminaire in power LED version providing precision optical systems which gives very low glare rating, while reducing light pollution and specially designed for landscapes and in unique structural design shape. These luminaires are designed to offer functional, a wide range of lighting solutions and dramatic highlighting of the architectural facades, landscapes, trees through the superior finishing as well highest efficiency with a long service life. This exterior ground spike luminaires are made in aluminum body and can achieve the desired effect in a wide range of applications with high quality optical systems and for direct lighting.
