

DEN WALL LIGHT

DN-WL

Mono IP65 CE

YYZ Den is a recessed wall luminaire developed to brighten the floor using the high performance of the LED light sources. The outdoor lighting fixture is designed with a simple square shape with the point frame in the centre to complete the unique and contemporary look. The special feature of lighting design is to make the eyes comfortable and minimize the dark zone area from the wall. This IP65 rated luminaire is specially designed to create a beautiful shape of the light pattern on the floor.
