

# ZEBRA POLE LIGHT

## ZRA-PL 2

**Mono** IP66 IK08 CE

The Zebra Pole Light combines a lighting pole/column and arm into a single rectangular section. This design allows for the placement of two light points at different directions and heights on the same pole. The product is ideal for illuminating streets, avenues, residential areas, and pedestrian zones. It is available in Type 2, Type 3, and Type 4 light distribution classifications for roadways. The poles are offered in heights ranging from 3.5m to 8m. Both the pole section and the arm section are made of extruded 6063 T5 aluminum with a low copper content, measuring 200mm wide and 150mm thick. The pole features a weather-sealed door opening of 400mm x 100mm for installing an MCB/Fuse cutout (to be supplied by others). The outreach length of the arm can be customized within structural limits. The pole's base plate dimensions are 400mm x 400mm x 15mm thick and come complete with four M24 x 500mm long L Anchor Bolts, along with two nuts and two washers per anchor bolt.

### FEATURES

HOUSING	Heavy duty die-cast aluminum
WORKING VOLTAGE	220-240V AC
MOUNTING	Pole luminaire
OPTIC	Type 2, Type 3, Type 4 light distribution available
DIMENSIONS	Arm length 1000x200x150mm, Pole Height 3500 to 8000mm
OPERATION TEMP	-30° C - +50° C
BODY COLOR	Dark grey, Black, White
LAMP LIFE	50,000 hrs
CONTROL	On/Off

**CREE / BRIDGELUX**  
LED Quality

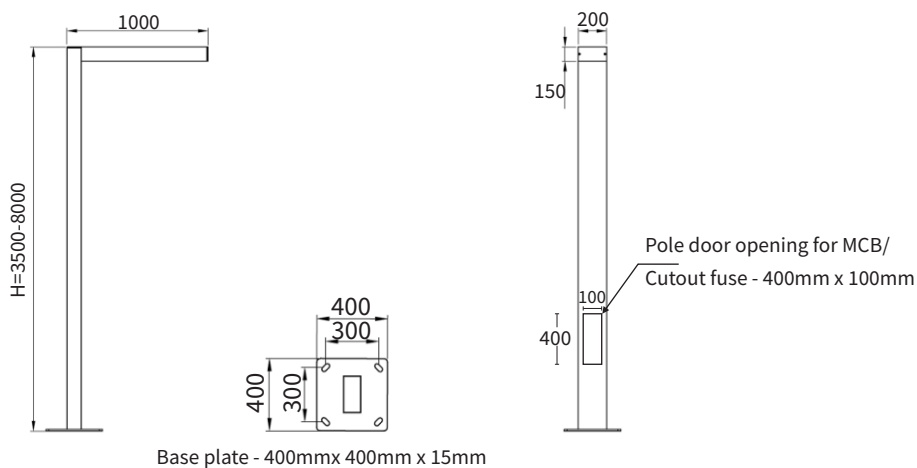

**220-240V AC**  
Working Voltage

**30W, 40W, 60W, 80W, 100W**  
Rated power

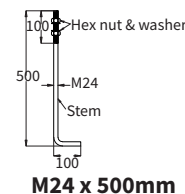

### ELECTRICAL DATA

RATED POWER	30W, 40W, 60W, 80W, 100W
COLORS	3000K, 4000K, 6000K
CRI	85+
LUMEN OUTPUT	30W-3500lm, 40W-4500lm, 60W-6500lm, 80W-9000lm, 100W-11300lm

### DIMENSION

#### Anchor bolt

### ORDERING LOGIC

PRODUCT	WATTAGE	COLOR TEMPERATURE	OPTIC	VOLTAGE	CONTROL	POLE HEIGHT	FINISH	
ZRA-PL2	30	30W (CT30)	3000K	AC - 220-240V AC	ND - Non Dimmable	35 - 3500mm	DG - Dark Grey	
	40	40W (CT40)	4000K			T3 - Type 3 Distribution	40 - 4000mm	BK - Black
	60	60W (CT60)	6000K			T4 - Type 4 Distribution	60 - 6000mm	WH - White
	80	80W					70 - 7000mm	
	100	100W					80 - 8000mm	

Sample: ZRA-PL2 - 30 - CT30 - T2 - AC - ND - 35 - DG
